The signatories will not have access to the membership list linking names with numbers.

14. The promoter may adjust the prizes with the agreement of the Chair of Friends of BGO and the Commissioner of BGO if there are insufficient stakes purchased to ensure that a minimum of 20% proceeds is given to Friends of BGO.

15. Any complaints or challenges must be made in writing to the promoter in the first instance. In the event that the issue cannot be resolved the Commissioner for BGO will have the final say.

16. The Friends of BGO accounts are prepared on a receipts and payment basis. All income received from stakes must be held as designated funds until all draws the year have taken place. The profit for the year should be transferred to unrestricted funds by 30 September each year.
